

Frontend Developer

Since 2016

Bringing over **6** years of robust ReactJS development experience, I am adept in JavaScript, TypeScript, Next.js, and excel in advanced and pixel-perfect UI development alongside other cutting-edge frontend technologies. Currently immersed in frontend innovation, I am eagerly anticipating the evolution of my career into a full-stack developer, aiming to conquer new horizons and deliver exceptional solutions.

EXPERIENCE

ShareTrip LTD

2018 — Present (Dhaka) | Frontend Engineer (Lead)

- › Built more than 5 iterations of SEO-friendly services for Flight, Hotel, Visa, Holiday, Tour, and Transfer on the web platform.
